

CUT FLOWER GARDEN RESOURCES

Floret Farm - www.floretflowers.com

Under "Resources" you will find a great supply of growing guides for many popular cut flowers

Johnny's Seeds - www.johnnyseeds.com

Under "Grower's Library", then "Flower Library" there is an extensive list of growing guides for all cut flowers that Johnny's sells (many of which we grow) and also tips on how to design and maintain a cut flower garden as well as how to make floral arrangements.

Fine Gardening -

<https://www.finegardening.com/article/creating-a-cut-flower-garden-for-fun-and-profit>

An article with good tips on how to plan a cut flower garden.

UVM Extension -

<https://www.uvm.edu/news/extension/planning-cutting-garden>

A short article that will help you get started with a cut flower garden.

Longfield Gardens - www.longfield-gardens.com

Their "Learn" section is a great resource for all types of cut flowers, especially those grown from bulbs. Recommended Reads: "How To Design A Cutting Garden", "Best Cut Flowers For Shade" and "How To Make Cut Flowers Last Longer".

NC State Extension -

<https://growing-small-farms.ces.ncsu.edu/growing-small-farms-flower-inks/>

Extensive list of resources for growing cut flowers on a commercial scale.

Oklahoma State University Extension -

<https://extension.okstate.edu/fact-sheets/the-care-and-handling-of-cut-flowers.html>

Detailed article on the care and handling of cut flowers
